

Visible map of UK for exploration and discovery – locating places where children have visited.

Where can you see  
Geography in  
Nursery and  
Reception?

In Nursery Everywhere Bear goes home with a child – they then come and share what they got up to when visiting a family and friends (near and far)

Julia Donaldson Rebecca Cobb

The  
Everywhere  
Bear

Read by Lauren Laverne

ICT – Purple Mash 2 Simple city and park.  
Programmable Bee Bots and Caterpillar for route plotting and finding.

Exploring the school grounds – shape hunts (maths), drainpipe/spider hunt, change of surfaces (patio, grass, Adventure PG)

World Maps in Reception class

For exploring and adding stories, Non fiction texts and other worldwide texts

Regular visits to Brigham Park, church and local farm – walks have involved walking homes of the children. Visits to nearby town Cockermouth for local walks (identifying landmarks – rivers/brewery, main street)

Where next ? Map of West Cumbria to locate where children live and travel from to come to school.
