ADMISSIONS POLICY (GOVERNORS)

The Governing Body is aware that parents are concerned about large class sizes. The Admissions Authority for St Bridget's School is the Local Education Authority and we fully adopt the School Admissions Arrangements.

Admissions to all classes are accepted on the basis that no combined class will exceed or be projected to exceed the Junior Class Size Limit of 34.

The Governing Body recognise the need to be flexible regarding admissions overall because of the needs of the school, fluid population and the effect of class sizes on teaching and learning.

When places are oversubscribed the Local Education Authority Admissions Policy is put into place (a copy of which is located in the school prospectus).

In the event of school being oversubscribed at the time of your enquiry, if you wish to be kept informed of any future places; the Local Education Authority will maintain a waiting list. Any places subsequently arising will be allocated in accordance with the Local education authority Admissions Policy, and the Head will contact you if your child(ren) become eligible.

Infant Class Policy Statement

If numbers in any one Infants Class would be more than 30, children will be registered by age and taught by ability.
