KIDS' CLUB ADMISSIONS POLICY

It is our intention to make our provision genuinely accessible to all those who are eligible to use it. Places in the After School Club and in Acorns will be offered first to children who attend the school but other children are welcome if there are places. The admissions policy will be reviewed if demand fluctuates.

Prior to admission,

Parents will be given basic information about the club.

Parents will complete and return a registration form updated annually—

children will NOT be admitted unless this has been done.

Parents will understand and agree with the required payment policy.

Parents will have read and agree with the policies, in particular the behaviour policy, and late collection of children policy.

Parents will conform to the booking and cancellation arrangements.

Non payment of fees

Non payment of fees may result in exclusion. However, in line with our equal opportunities policy we will do all we can to assist those in hardship by pointing out any help towards childcare costs that is currently available.

Failure by adults to keep within the rules, such as persistent lateness in collecting children or children constantly turning up for the club without being booked in may be grounds for a short period of exclusion. But this would not happen without verbal and written warnings.
