ANTI-BULLYING POLICY

Please also see the Behaviour Policy and the Inclusion Policy.

Bullying may be physical intimidation, verbal or emotional abuse or threatening behaviour. It is totally unacceptable and will not be tolerated. We will try to avoid bullying by:

- Discussing bullying with children when we discuss the rules
- Working to keep a good friendly atmosphere
- Staff vigilance – staff will know to look out for any children who may be vulnerable.
- Staff will be vigilant to aggressive behaviour etc.
- Staff will intervene with appropriate strategies and will challenge any possible bullying appropriately, according to the stage of development and level of understanding of the children involved.
- Staff will be aware of the importance of listening to children and will treat children's concerns seriously.
- Sanctions in the event of bullying are the same as for any serious misbehaviour – see the Behaviour Policy.
